We also offer a variety of corporate and investment banking services ranging from cash management services to advising on complex corporate transactions. Our dedicated teams work closely with our clients to provide bespoke strategies to help achieve their business and financial objectives.

Investment Services

We provide investment services to Corporate and Institutional customers. Our advisors advise on and arrange deals in certain Financial Instruments (as defined in the European Union (Markets in Financial Instruments) Regulations 2017) ("Investment Services"). The terms applicable to these Investment Services can be found in our Investment Terms of Business.

Personal and Business Customers

On 31 October 2013, we announced that we would discontinue providing personal and business bank products to our personal and business customers and those products were withdrawn during 2014. We continue to provide banking services in relation to house mortgages, loans and overdrafts for existing customers of these products. These banking services are administered by Pepper Financial Services, a third party, on our behalf. We communicate with our existing personal and business customers primarily via Pepper Financial Services.

Intermediary Services

Since the discontinuance of our personal and business banking service provision from October

2013, we no longer sell new products or services for intermediaries. For those policies which predated this announcement, we provide services for the remaining terms of the outstanding policies and receive associated commission in respect of these policies.

Conflicts of Interest

It is our policy to avoid any conflict of interest when providing a service to our customers. However, where an unavoidable conflict may arise, we will advise you of this in writing before proceeding to provide any such business service. If you have not been advised of a conflict, you are entitled to assume that none arises.

Fees & Charges

Charges for banking services (other than Insurance Intermediary Services) are made on the basis of our "Clear and Simple" Personal and Business Fees and Charges Explained brochures; copies of which are available on our website (www.danskebank.ie) or by contacting us. If we propose or agree to charge any other fee, we will notify you in writing before we carry out any chargeable work and will explain how the fee will be calculated or how much it will be.

We are committed to high standards of customer service. However, if you have any complaint about a product that you have bought, or our service to you, in the first instance please write to us, or provide details of your complaint in person to a member of staff.

We will try to resolve complaints quickly. At a minimum, we will respond to you within five working days. We will correspond with you every 20 working days after that until the matter is resolved. In the unlikely event that the concern is not resolved in 40 working days, we will write to you advising you of the expected timeframe in which you will receive a response and your right to refer your complaint to the Financial Services and Pensions Ombudsman (FSPO). Our leaflet, 'Putting things right for you' is available to all customers on request.

Following our final response to you, if you are still not satisfied, you may also refer your complaint to the FSPO, Lincoln House, Lincoln Place, Dublin 2

The Deposit Protection Schemes

Customers of the Bank are covered up to Eur 100,000 per depositor, through the deposit protection scheme in Denmark (under the Danish Guarantee Fund for Depositors & Investors).

The scheme protects customers against losses in the event that the Bank suspends payments or becomes subject to compulsory winding up.

For further information on the deposit protection scheme in Denmark please see the Bank's deposit protection brochure which is available at www.danskebank.ie or by contacting us.

Lending

If we lend you money, we will make an agreement with you, subject to terms and conditions. If you break those terms and conditions (for example, if you fail to make payments as agreed), that is a default by you. If you default, we may stop your account and demand payment of all money that you owe us. That may include other accounts which are not in default. If you remain in default, we may take action to remedy that default, by any suitable means. This may include legal action against you, placing your account with a collection agency, or enforcing security given to us, such as a mortgage or guarantee.

However, the Bank is committed to working with its customers when situations of financial hardship arise. The Bank adheres to the provisions outlined in the applicable codes issued by the Central Bank of Ireland including the CCMA, CPC and the SME Regulations.

In the event of a customer defaulting on a deal in respect of an investment instrument, we reserve the right to remedy the default by similar means.
